		Plan of Departmental Activities provided by IQAC
		Faculty-wise ICT Lecture Time Table provided by IQAC

		Gulhane, Hutatma Rashtriya Arts and Science College, Ashti, was organized on 4 <sup>th</sup> February 2020
7	<b>OVERALL OBSERVATIONS</b>	
a)	<b>Institutional Strength</b>	Enough students strength Qualified and experienced staff Adequate infrastructural facilities Central library with internet/Wi-Fi facility Eco-friendly campus Active NSS unit Use of ICT, LCD, Overhead Projectors
b)	<b>Institutional Weaknesses</b>	No-grant Science Faculty University, State, National, Intercollegiate level conference, workshop, seminar, competitions needed to be organized. Lacking financial resources Inadequate Minor/Major Research Projects No admission for Women Hostel
c)	<b>Institutional Challenges</b>	To obtain UGC/GO/NGO Grants To receive grant for non-granted Science Faculty Underprivileged academic and financial background of students To start new UG subjects and PG courses Increase active participation of Alumni, Parents and local people in college development initiatives To enhance students placement To upgrade college infrastructure and facilities
d)	<b>Institutional Opportunities</b>	Addition of more UG subjects and PG Courses To propel weaker and rural students towards better future Better prospect for students in Games and Sports Establishment of Research Centre Make girl students self-reliant through skill-based Home Economics curriculum Collaborative activities through MoUs with other institutions/agencies
e)	<b>Recommendations</b>	Start Ph. D Research Centers Increase stakeholders' active participation for college development Arrange collaborative programmes for students, teaching and non-teaching staff. Start new subjects and PG programmes Arrange skill-development programmes Conduct certificate, diploma, and add-on courses Upgrade and increase the use of ICT/E-resource facilities Conduct National/State Level Conference/Workshop Increase Research Activities

4.4.2 Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (*maximum 500 words*)  
(information to be available in institutional Website, provide link)

All the infrastructural facilities are optimally utilized by the students, teachers and non-teaching staff of the college. The decisions regarding construction, repair and maintenance of the buildings and other physical facilities are taken by the committees-**Building Committee and College Development Committee**. Maintenance of laboratory instruments, computers, printers, LCT TV, projectors, water, power supply and Laptops is done by hiring technicians. For purchasing new equipments decisions are taken by the Purchase Committee following due procedure. Expenditure is done from yearly allotted budget approved by the CDC. The library follows certain rules regarding the issue, usage and return of books. It has certain procedure for students' and teachers' visit and attendance at the library. Important decisions are taken by the College Library Committee. The classrooms and the college premises are monitored by the cameras for safety and security. The physical facilities including laboratories, classrooms, computers, indoor and outdoor sports facilities are made available for the students. Auditorium and college premises are made available for Go/NGOs and other institutions for social, national, sports and academic events. For this prior permission of the principal is must. The college has a generator system for uninterrupted power supply. The college has adequate number of computers with internet and Wi-Fi connectivity.
